

Accessible, Affordable, Quality Health Care for ALL

Rally for Reform!

Join us in a unified voice to let Congressman Johnson know that he must support small businesses and families, and NOT the big profits of the insurance company gained by abusing consumers!

When: Thursday, March 18th at 5:30pm.

Where: [Congressman Johnson's Champaign Office, 2004 Fox Drive, Champaign IL](#)

Bring a pair of shoes to demand that Congressman Johnson try "walking in our shoes" before he makes a final decision to side with the unfair insurance industry. Or bring a "message in a bottle"- write a message demanding that Congressman Johnson support health care reform and put it in a medicine bottle. We will deliver these to Congressman Johnson's office.

Why: A final vote on health care reform is within days.

Congressman Johnson has been privileged to receive taxpayer health care for decades but he refuses to give the taxpayers the same opportunity that we give him. No wonder the American people have lost trust in politicians like Congressman Johnson. Now that there's an opportunity to help seniors, small businesses, and families, Congressman Johnson turns his back on the people he was elected to represent and instead, sides with big insurance companies that are making record profits by abusing Americans.

Enough is Enough. NO MORE "privilege class" for members of Congress. Current legislation will provide security to the millions with insurance and to the millions without insurance!

Our time is NOW and we won't be silenced!
